PROUDLY PRESENTS

“Optimizing Practice Value in a Challenging Economy”

*By
Greg Auerbach*

Greg Auerbach has been around dentistry his entire life. The son of a successful dentist, Greg grew up seeing, first hand, how a quality practice operates. With a Computer Engineering degree from the University of Central Florida and an MBA in service operations and general management from Wake Forest University, Greg has added a broad set of skills and experiences to the business and ADS Florida as transition specialist for the west coast of the state. Greg recently also became a partner in ADS Florida and its sister company, Professional Transitions. In addition to his work in Florida, Greg has appraised practices and transitions doctors throughout the country, serves on the Executive Committee for ADS nationally, is a financial analyst and speaker for Pride Institute and has spoken at a number of dental schools both in Florida and the country.
